## ***ONLINE***

### **DECEMBER 2015**

**You will be able to view the new publication during next month, however, you will need to access the BMAF website to view.**

You can still receive a printed copy. The reason we had to cease production of "Masters Athletics" earlier this year was due to costs that had escalated to more than £20,000 a year, this expenditure could not continue. It was therefore decided to go online, with an option for members to purchase a printed copy.
